Dear Parent/Carer

PE Kit

I write to inform you of some additions to the current PE kit and with some reminders about what is expected to be worn by students when taking part in Physical Education. All of the clothing items are available to purchase directly from the school. Please find below the most up to date kit list for all students.

Compulsory Kit:

- Trinity PE T-Shirt
- Trinity Socks
- Navy/Black Shorts (Trinity shorts may be purchased)
- Trinity Rugby Shirt
- Appropriate footwear / PPE

Optional Kit:

- Trinity ¼ Zip Training Top
- Trinity Tracksuit bottoms
- Trinity Leggings

Clothing stocked by the school:

Trinity PE T-Shirt - This is a compulsory item of kit with the school badge.

***Trinity Socks** - These are a compulsory item of kit as many of the sports we teach require the students to wear shinpads which will need to be held in place.

*Please note for indoor lessons the students will be able to wear ankle socks, but these must be different to the ones they wear for the rest of the day for hygiene reasons.

Trinity Shorts - Navy shorts with the Trinity embroidery. If you would rather purchase your own plain navy or plain black shorts then these can be worn as an alternative.

Tracksuit ¼ Zip Training Top - A warm mid layer item to provide warmth when participating in colder conditions. If you would rather purchase your own plain navy or plain black sweatshirt (without a hood or any logo) then this can be worn as an alternative to participate in outdoor lessons.

*Please note that **wearing a Trinity uniform sweatshirt is not appropriate for PE** as it may get dirty and become unhygienic. Outside of the PE lesson the Trinity sweatshirt must still be worn in and around school.

Trinity Rugby Top - a reversible rugby shirt that can be worn as a warmer layer when participating in sports such as Rugby. This is a compulsory item when taking part in rugby or representing the school team.

Tracksuit Bottoms - During colder weather tracksuit bottoms make participation in PE a much more comfortable experience. If you would rather purchase your own pair in plain navy or plain black then these can be worn as an alternative.

Trinity Leggings - During colder weather leggings make participation in PE a much more comfortable experience. If you would rather purchase your own pair in plain navy or plain black then these can be worn as an alternative.

Other items / Personal Protective Equipment (PPE):

For all games activities the simple rule to follow is that participants should wear the appropriate personal protective equipment (PPE) according to the likelihood of contact with other players.

Trainers - These should have non-marking soles that are appropriate for sports participation.

Football boots - Essential for participation on the field as the weather deteriorates in the Autumn term.

Shin pads - These are an 'essential' safety item where competition will be present in games such as Football and Hockey.

Mouth guards - Strongly recommended for all players at all levels but not essential in sports such as Rugby and Hockey. They are 'highly recommended' for match play and competitive practices and mandatory for junior representation.

We hope with the new warmer additions to the Trinity PE kit that our students will be much more comfortable when taking part in their Physical Education lessons.

If you have any further questions then please email pe@trinity.bexley.sch.uk

Yours sincerely

Mr Pullen
Head of Physical Education
